CNRMA is in the process of developing a website that will provide status and information concerning the ongoing A-76 study. We will advise you how you can access the website, once it is made available.

Other news – CNO messages outlined the establishment of firewalls between the personnel developing the Management Plan and the Performance Work Statement (PWS). To comply with this requirement, I will lead the effort to develop the Management Plan and Mr. Gregg will lead personnel developing the PWS.

Additional positions are included in the study from the Mechanicsburg/Philadelphia area. These positions are identified as part of our Comptroller's Office.

Monthly updates will be forthcoming. If you have any questions, recommendations or ideas pertaining to the A-76 study, please contact your site representative or the team leader.
